

1

Feed a balanced diet to maintain the good health of your pet.

2

Provide fresh drinking water at all times.

3

Your pet will need a comfortable and safe place to rest and sleep.

4

Grooming helps to keep a pet tidy and looking good. Regular bathing is necessary to keep it clean.

10 Steps to being a responsible pet owner

5

Allow your pet to get regular exercise to keep it happy and healthy.

6

Training your dog will help to build a bond and ensure good behaviour in the company of other people and animals.

7

Regular visits to the vet will help keep your pet healthy and free from disease.

8

Have your pet spayed/neutered to prevent unwanted puppies or kittens and reduce health and behaviour problems.

9

Register your pet with the local council and have microchipping (pet identification) done. Always include the licence with owner's name and address on the collar when your pet is outside the home.

10

Pets need our care and affection. Spend some time with your pet daily.
