

Calling dog owners!

Come and sign up for our new intake this April!

Do you know that obedience training is one of the best things you can do for your dog or puppy... and yourself? In fact, obedience training is the foundation for solving just about any pet problem. Training bonds you

closer to your pet and it opens up a line of communication between the both of you. Effective communication is necessary to instruct your dog about what you want him/ her to do. More importantly, dogs are social animals and without proper training, they will behave like 'animals'. That simply means they will soil your house, destroy your belongings, bark excessively, dig holes in your yard, respond aggressively towards other dogs and even bite strangers!

Obedience training with us is fun and rewarding, for you and your dog. It can enrich your relationship and making living together with your pet so much more enjoyable. A well-trained dog is more confident and can be allowed a greater amount of freedom than an untrained one.

So, come and join us every Sunday, 8:30am to 9:30am, at Central Park, Bandar Utama. To register for the class, please [click here](#) to print the form.
